

## WE CLIMB AROUND THE CLOCK

### DAWN

This Climb departs before daybreak with limited departures throughout the year. Witness the sun breakthrough on the horizon as the city comes to life.

### DAY

There are so many spectacular views throughout the day from morning to late afternoon (after “dawn” and before “twilight”), exposing the hum and buzz of the city in full swing.

### TWILIGHT

Climb as the day closes and the night begins. Take in the magic of Twilight and get the best of both worlds as you soak up the sunset while the moon takes its nightshift.

### NIGHT

This Climb departs after the sun has set (after “twilight”), introducing the illumination of Sydney at night as it sparkles under a blanket of darkness.
